Re: Notice of Violation
EPA ID No.: IND 072 051 394

Dear Mr. Schweitzer:

On November 18, 2015, a representative of the U.S. Environmental Protection Agency inspected Purdue University (Purdue), located in West Lafayette, Indiana. In response to violations of the Indiana Administrative Code (IAC) and the Code of Federal Regulations (CFR) identified during the inspection, EPA issued a Notice of Violation (NOV) on February 5, 2016. Subsequent to EPA's NOV, Purdue submitted information regarding the identified violations in correspondence dated March 4, 2016.

This letter is to inform you that EPA has reviewed Purdue's response and determined that no further enforcement action will be taken at this time. This determination does not limit the applicability of the requirements evaluated, or of other federal or state statutes or regulations. Thank you for your cooperation.

If you have any questions or concerns regarding this matter, please contact Sheila Burrus, of my staff, at (312) 886-3587.

Sincerely,

A handwritten signature in blue ink, reading "Gary J. Victorine", is written over the typed name and title.
